

# CONESTOGA SAILING CLUB

## 2013 YOUTH SUMMER CAMP

Our Youth Learn to Sail Program, on beautiful Conestogo Lake, is a unique summer sailing program for children ages 8-18. Our program runs Monday to Friday from 9am to 4pm throughout the summer and offers 3 convenient school bus pickup and drop off locations in the Region. No sailing or boating experience is necessary to join the program. All participants, however, must be comfortable swimming while wearing a personal flotation device (PFD or Lifejacket).

Through a combination of games, on land activities and on water drills, program participants follow the CANSail curriculum and work towards their nationally recognized CANSail certification. We provide qualified coaches that are fully trained and certified by Sail Canada. All of our staff hold certification in first aid, powerboat operation, boat rescue, life saving, and coaching theory. Conestoga's Youth Sailing Program is open to both club members and non members and is eligible for the Canadian Government Children's Fitness Tax Credit.

Session	Dates	Member	Non-Member	Bus
Session 1A	July 01 - July 12	\$340.00	\$390.00	\$90.00
