SANITATION AND PHYSICAL DISTANCING PROTOCOL

Procedures and requirements in place to ensure that we may safely access the Club with minimal risk associated with COVID-19 disease outbreak.

May 20, 2020

INTRODUCTION

The procedures and requirements are minimum obligations and everyone accessing the Club must act responsibly and in accordance with them.

Anyone who comes to the Club must recognize that collectively we are doing our best, but the club cannot be held liable should anyone become sick due with COVID-19 or a related illness, after coming to the Club.

We do consult with *Ontario Sailing* to come up with these guidelines and we strive to ensure that they are in line with their advice and Orders and Regulations set by Province of Ontario.

[?] Before coming to the Club property, everyone must first read this document and must be willing to fully abide by its provisions.

PART 1 - ENTERING THE CLUB

1. A person may not, under any circumstances, come to the Club if he/she has any symptoms of COVID-19 or, if he/she lives with a person who has such symptoms.
2. Members are entitled to bring their Family Members and one helper/guest or contractor.
3. A limit on the number of Members permitted on the Club property is not set. Indeed, we believe that there is enough space for everybody, even though physical distancing is mandatory (see Part 2).
4. In the remote case that the Club premises will be too crowded, the last Members arriving at the Club should consider to voluntarily refrain from entering the Club premises.
5. Every Member, helper/guest and contractor are to provide their own
 - MASK or FACE COVERING
 - SANITIZER

6. At a member's discretion, it is also suggested that they provide their own
 - SANITARY WIPES
 - SANITARY GLOVES
 - GARBAGE BAG
 - TOOLS (and electric cord), if needed
 - FOOD and BEVERAGE, if necessary.
7. The club is providing 4 sanitation stations near the downstairs club house entrance, the boat shed, the boat park and at the top of dock/ramp into the water.

PART 2 - RULES OF CONDUCT

1. The 3 most basic requirements that everyone must respect when at the Club are:
 - I. To maintain 2 metres/6 feet distance from each other.
 - II. To wash hands frequently and thoroughly (minimum 20 seconds with soap and water) or use hand sanitizer.
 - III. To wear a mask or face covering over the nose and mouth when it is difficult or unavoidable to maintain physical distancing (2 meters/6 feet or less). See also Part 3 below.
2. Club washrooms and changing rooms may be used only by one person or one Family at the time.
Door must be kept open to indicate that the washroom is free.
Premises must be kept clean and tidy, by the users, at all times.
3. Club Kitchen and the use of the refrigerator, cutlery and utensils and barbecues will not be available until further notice.
4. Members are expected to clean and sanitize the picnic tables before and after they use them.
5. Members are to bring back home their own waste and garbage.

PART 3 - WORKING ON BOATS IN THE YARD

1. Every boat-owner is responsible to ensure that all persons helping him/her to repair, prepare or move the boat adheres to these directives.
2. It is mandatory to wash hands before and after using Club tools.
3. If two boats are close together, less than 2 meters/6 feet apart, and if the corresponding owners are working on these two boats at the same time, wearing a mask is mandatory given the accidental critical proximity between people is unavoidable.
4. If Members, contractors, guests or helpers are working on club boats, they must sanitize the area of the boat that they have been working on, at the end of the day's working period.

5. When a person is inside his/her boat, the rule to wear the mask is a matter of personal decision.

PART 4 - CONTRACTORS, GUESTS and HELPERS

1. The contractor, guest or helper must be informed of these directives and must fully implement them, with no exceptions.

PART 5 - BOAT SHARING and SAILING SCHOOL

1. Club boats are not available for the time being.
2. Sailing School Captain will develop the rules pertaining to the sailing camp, and will post them as part of this document.

Part 6 - ENFORCEMENT

1. All Members shall comply with these directives with civility and politeness to others.
2. Should a Member observe that another person at the Club is not acting according to this protocol, it is acceptable to politely and respectfully ask that person to conform to this protocol.
3. Should the issue not be resolved, we ask the Member to communicate with the Commodore.

NOTES

- a) Should you have any questions or concerns, please do not hesitate to contact the Commodore.
- b) Please, contact the Commodore if you have constructive suggestions to assist the Club coming through these unusual times.
- c) The Club may post other directives on notice boards at the Club or on the website. Please look out for, read and respect them.
